

WIPO Symposium on Standard Essential Patents

A SEPtember Symphony

Do you hear the music of SEPs?

To provide a global platform of dialogue for Standard Essential Patents (SEPs), the symposium will gather stakeholders to share their insights on aspects related to policy, law, and economics of SEPs and their licensing.

The Symposium is open to any interested party, free of charge, upon registration.

September 18 and 19, 2025
Geneva, Switzerland

Register for in-person attendance.
